REF: Spike Strips

United States Deputy Sheriff's Association,

On behalf of the Windsor Police Department, I would like to take this opportunity to thank the United States Deputy Sheriff's Association for the generous donation of five sets of Spike Devil spike strips donated to our agency. Through the generosity of your organization, we have been able to outfit and equip all of the police cruisers in our fleet with this valuable safety equipment. In today's fiscally restrained economy, we are cognizant of the financial limitations organizations face and the multitude of requests they receive and are grateful that our organization was selected to receive this safety equipment. As a small agency with a limited budget, we are often forced to choose among the multitude of equipment and training needs that exist. While we would prefer never to have to be in a situation where these tools are necessary, we are incredibly grateful for them as we are confident that they will serve to assist with slowing and terminating pursuits if needed, to prevent further danger to the public from a dangerous fleeing individual. Thank you for your donation.

Stay safe,

Chief Jennifer Frank
