

# WINTERVILLE POLICE DEPARTMENT

To: United States Deputy Sheriff's Association

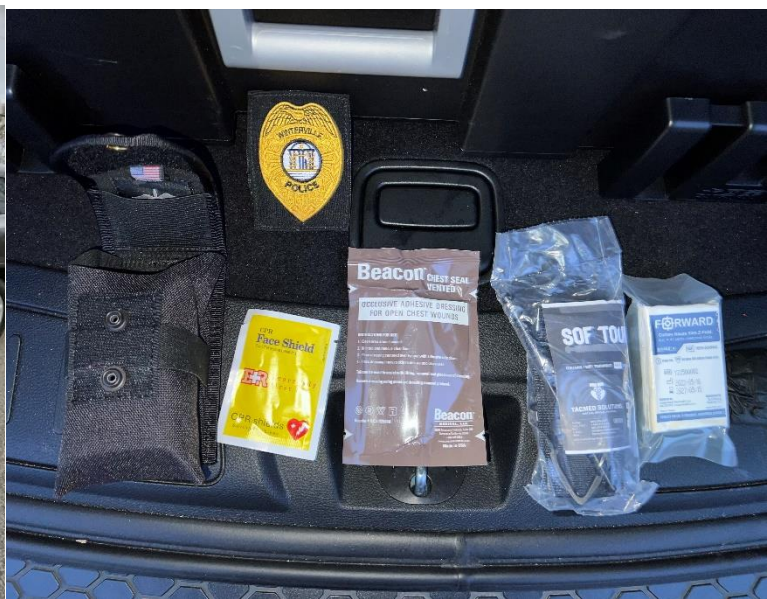

On behalf of the entire City of Winterville Police Department we want to give you our most sincere thanks and appreciation for the donation of our Belt Medical Kits, and the Portable Breathalyzer Testing device.

As our department is very small, any donation of equipment especially one of this value will go very far in allowing our officers to protect and serve our community.

Thank you for providing us with this much needed updated equipment! Below are pictures of the items including one of our officers utilizing the new breathalyzer.

Respectfully,

Winterville Police Department

145 N. Church Street Winterville, GA 30683 706-742-5295
