Dear Mr. Willis,

I would like to personally thank you for the recent donation of the 12 ballistic helmets that we received from the United States Deputy Sheriff's Association. Due to budget constraints we did not have funding for this safety equipment, even though it is essential for the safety of deputies in today's law enforcement environment. Organizations such as yours provide a great service to law enforcement by providing equipment and training.

It is hard to express in words the gratitude I have for the United States Deputy Sheriff's Association and the great work you all are doing. If I can ever be of any assistance please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "R D Oakes". The signature is written in a cursive style with a long horizontal flourish at the end.

R.D. Oakes,
Sheriff
