Dear Mr. Willis,

I would like to personally thank you for the recent donation of the twelve emergency belt trauma kits and the Flir Scout TK that we received from the United States Deputy Sheriff Association. Due to budget constraints, we would not have been able to purchase these items for the essential safety of our officers on patrol. There is no special funding for the things that you provided to us during this time. Organizations such as yours are a great tool and asset to the everyday working of the law enforcement community.

It is hard to express the extreme gratitude I have for the United States Deputy Sheriffs Association and the great work you all do and provide to law enforcement across the country. If our department can ever be of any assistance, don't hesitate to contact us for anything.

Sincerely,

A handwritten signature in blue ink that reads "Danny French".
