TO WHOM IT MAY CONCERN:

The Woodson County Sheriff's Office has received their Point Blank Body Armor. It seems that each day is becoming more volatile for Law Enforcement and their safety. It is through your efforts and ability that we are able to receive this Body Armor, due to our limited funding that we presently have. The Woodson County Sheriff's Office is truly appreciative to receive this tremendous gift that will help keep our officers safer while they attempt to perform their duties of serving and protecting the citizens and visitors of Woodson County, Kansas.

We have taken a photo of the officers who will utilize the Body Armor, when we distributed the Point Blank Body Armor and are sending you a photo attached to this letter.

Again, a HUGE BIG Thank You to the United States Deputy Association for their hard work in helping to support the Law Enforcement community in the field with the tools to help us do our jobs and keep the public safe.

If we can be of assistance to your organization in any way, please feel free to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeffrey A. McCullough'.
