Reference: Donated Equipment

Dear Mike,

On behalf of the Wyoming County Sheriff's Office, its deputies and the residents of Wyoming County I wish to extend our gratitude for the equipment donated by the United States Deputy Sheriff's Association.

The Wyoming County Sheriff's Office is a small, rural agency with limited resources. Our current budget would not have permitted for the purchase of the donated equipment: tourniquets and a ballistic shield. The donation provides for increased safety during critical events for our deputies and residents. This office has not had such equipment in the past.

We commend the service and dedication of your Association in assisting sheriffs. Again, thank you for your donation.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert L. Roberts".
