Reference: Ballistic Body Armor Donation

Dear Mike,

On behalf of the Wyoming County Sheriff's Office, its deputies and the residents of Wyoming County I wish to extend our gratitude for the donation of ballistic body armor for deputy sheriffs.

The Wyoming County Sheriff's Office is a small, rural agency with limited resources. The donated body armor provides for increased safety during critical events for our deputies. The body armor will replace older vests that were beyond the manufacturer's rated lifespan. Without your assistance, it was uncertain when new body armor could be obtained.

We commend the service and dedication of your Association in assisting sheriffs. Again, thank you for your donation.

Sincerely,

A handwritten signature in blue ink that reads "Robert L. Roberts".

Robert L. Roberts  
Sheriff  
Wyoming County
