Frank A. Allen
Chief of Police

Dear United States Deputy Sheriff's Association

On behalf of the Yorkville Police Department, I am writing to express our deepest appreciation for the FLIR Scout that you generously provided to our department. This advanced thermal imaging device has already proven to be an invaluable asset in our law enforcement operations.

The FLIR Scout has significantly enhanced our ability to conduct surveillance, search and rescue missions, and critical incident responses. Its cutting-edge thermal imaging technology has allowed our officers to quickly and accurately detect heat signatures, even in complete darkness or adverse weather conditions. This has greatly improved our situational awareness and response capabilities, ultimately leading to more efficient and effective law enforcement operations.

The ease of use and durability of the FLIR Scout have been particularly commendable. Our officers have found the device to be user-friendly, with intuitive controls and a clear display. Its robust construction has withstood the demands of our fieldwork, ensuring reliable performance in various environments.

The FLIR Scout has become an indispensable tool for our department, significantly enhancing our capabilities and improving officer safety. We are confident that this device will continue to make a positive impact on our operations for years to come.

Once again, we extend our sincere appreciation to FLIR Systems for the generous donation of the FLIR Scout to the Yorkville Police Department. Your commitment to providing law enforcement agencies with state-of-the-art thermal imaging solutions is truly commendable.

Thank you for your support.

Sincerely,

Frank Allen
Chief of Police
Village of Yorkville
