MEMORANDUM FOR UNITED STATES DEPUTY SHERIFF'S ASSOCIATION

FROM: Tony K. Vo
Chief of Police

SUBJECT: APPRECIATION FOR DONATED EQUIPMENT – FLIR SCOUT

I would like to take the time to thank you for the recent donation of the FLIR Scout TK, handheld thermal vision monocular. This device not only helps our agency, the school district we serve, it's students, staff, parents, and visitors, but also our community.

We are located in a rural area of North Texas and this piece of equipment will help tremendously in our efforts to keep our campuses and community safer, as well as the ability to respond to incidents which requires the timely use of identification in dark open areas. It will not only serve its purpose to help with the physical security aspects of keeping our district safe, but also aid in search and rescue type incidents as well.

Please accept this letter, attached photo, and patch as a token of our sincere gratitude for your donation.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "T. Vo".

Tony K. Vo
Chief of Police
Alvord ISD Police Dept.
