To whom it may concern,

On behalf of the Barber County Sheriff's Office in Medicine Lodge, KS, we would like to thank you for the very generous donation of 3 active shooter kits with rifle plates.

These will be very beneficial for training as well as if the unfortunate need arises to use them in an actual active shooter situation.

In the world of law enforcement, especially now, you can never be too prepared. Thanks to organizations like the United States Deputy Sheriffs Association, we are able to be better equipped and more prepared for every situation.

Thank you very much.
