To the U.S. Deputy Sheriff's Association

The Blaine County Sheriff's Office would like to extend our appreciation and gratitude to the U.S. Deputy Sheriff's Association for providing our agency with ballistic helmets. These helmets will increase the safety of our deputies during the execution of high-risk events. Items like these are difficult for our small agency to acquire without assistance from organizations such as the U.S. Deputy Sheriff's Association.

Undersheriff Eric Denning
