April 21, 2023

To: United States Deputy Sheriff's Association

Earlier this year the Calloway County Sheriff's Office was awarded an equipment grant through the United States Deputy Sheriff's Association. The grant awarded was for a FLIR Scout TKx thermal monocular ideal for low light and night use.

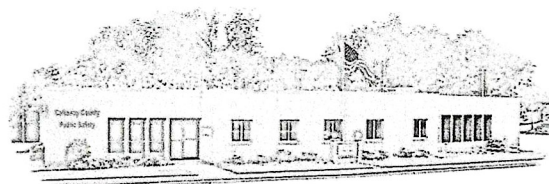

The Calloway County Sheriff's Office is grateful to the United States Deputy Sheriff's Association for this generous donation and the support of our agency.

Thank You,

Nicky J. Knight

A handwritten signature in black ink, appearing to read "N.S. Knight".
