**"SUPPORT YOUR LOCAL SHERIFF"**

To Mike Willis and the rest of the USDSA Members:

On behalf of the Carroll County Sheriff's Office located in Carrollton, Missouri. We would like to thank you for the donation of the three Spike -Devil Spike Strips.

Luckily, we don't have a lot of vehicle pursuits in our area. Since we are in a rural area where the public roads are narrow and curvy. The last spike strips that we still have in some vehicles were Highway Patrol hand me downs that were big and bulky and didn't like to lay flat if you had to deploy them, which was very dangerous to our employee's.
