Letter of Appreciation

On behalf of the Chesterfield Police Department (IN), I want to express my gratitude to the United States Deputy Sheriff's Association for the generous of two ballistic carriers.

Chesterfield lies between two larger Indiana cities and has five schools within 8-miles of our geographical jurisdiction. The donation of these items will undoubtedly keep our officers' safer on high-risk incidents. Just one month ago, our agency responded to a threat of an active assailant at the Alexandria – Monroe High School. We provided mutual aid to the Alexandria Police Department who also is a USDSA donation recipient. Fortunately, this call for service ended up being a case of "swatting".

Thank you again for all that your organization does for law enforcement across the country. We sincerely appreciate your support.

Joey Cole
