Mr. Willis,

On behalf of the Comanche County Sheriff's Office, I would like to thank your organization for the recent donation of a FLIR Scout TK. This device will be a great asset for our officers to be able to utilize and can be deployed in a variety of different situations. I would also like to express our gratitude and appreciation for your continued support to our agency, as well as the many agencies around the country that you support. It does not go unnoticed.

Thank you again,
