Dear United States Deputy Sheriff's Association,

Sheriff Walker along with the Elk County Sheriff's office team, we would like to thank you for the gracious donation of the FLIR Scout TK. I would like to say that we are very grateful for your program and the effort made by you and your staff! The implementation of the FLIR will aid our deputies in the apprehension of fleeing suspects while maintaining safety among our deputies and the community.

Again, I would like to extend my greatest appreciation in the donation of this equipment and the overall professionalism of your organization.

Sincerely,

Sheriff John Walker
