Mr. Willis,

Thank you, on behalf of the Florida Gulf Coast University Police Department. We appreciate you and your association for selecting our agency to be a recipient of the USDSA Equipment Donation program. We have received the FLIR device and the manual entry tool back pack kit to utilize for our department. This will help enhance our department's ability to respond to certain high risk calls for service and not need to rely as heavily on other agencies.

Thank you again for selecting us for this process and everything your organization does to keep officers safe around the country.

Respectfully,

James Slapp  
Chief of Police  
Florida Gulf Coast University
