The Haverhill Police Department would like to thank you for the generous donation of (3) Ballistic Helmets. Thanks to this much need equipment donation, we were able to replace out outdated Kevlar helmets and better keep our officers safe. Your Program is vital as it affords agencies such as ours who have limited budgets, to acquire much needed safety equipment. Without this grant my agency would not have been able to afford all we need in safety and tactical gear. I applaud you for the work you do at the United States Deputy Sheriff's Association and please feel free to reach out if we might be in a position to help you in kind.

Sincerely,

---
