To all staff at the United States Deputy Sheriff's Association,
I want to say Thank You to you all for the patrol trauma kits that you were able to provide to our department. However, thank you does not seem like enough.

With small jurisdictions having a restricted budget, with little money for training and equipment, we now have the opportunity to have the training and equipment that we need. It is great to see there are people and organizations like this step up and contribute to the departments who need assistance.

With a heartfelt thank you,

Sheriff Charley Melton
