United States Deputy Sheriff's Association  
2909 S. Spruce  
Wichita, Kansas 67216  
Attn: National Training Director Mike Willis

Mr. Willis,

Thank you to the United States Deputy Sheriff's Association for awarding our agency with emergency belt trauma kits for six (6) of our Agents. Each kit contained a tourniquet, chest seal, compression gauze, cpr mask and gloves.

The addition of this new equipment will allow us to focus on our Agents being able to treat medical trauma emergencies on themselves or others.

The equipment we received from the US Deputy Sheriff's Association has opened new avenues for our training curriculum and will allow us to introduce some new medical / trauma training for our Agents. We have recently certified two (2) agents as Instructors on Tactical Medicine that have been instructed all Agents on use of this equipment.

In law enforcement we constantly encounter deadly scenarios and the new equipment we received will allow us to train our staff better and prepare them for the encounters they might experience.

Thank you, for supporting law enforcement and giving our agency the tools necessary to ensure our agents are properly trained to handle the hazards we encounter in our daily duties.

Sincerely,

A handwritten signature in blue ink that reads "Darin Altenburg".

Darin Altenburg  
Enforcement Agent / Law Enforcement Training Coordinator
