Mike,

The Kenansville Police Department would like to offer a huge "Thank You" to the United States Deputy Sheriff's Association. The work and the support you are providing for local agencies like ours cannot be expressed in words what these resources do for us. The donation of Rifle Plates/Active Shooter Vests to our department allows our Officers to protect the citizens and perform our duties in the safest manner possible. Just last week a threat was made at our local elementary school and the vests were needed.

The United States Deputy Sheriff's Association is a tremendous blessing to departments across this great nation. The Kenansville Police Department is like most small departments, resources are limited. We support you and the Association in standing with Law Enforcement Officers to better equip them to perform their duties.

Thank you and God Bless You!

Sincerely,

Jackie Benton
Chief of Police
