Matthew R. Hankins
Chief of Police

From all of us at the Lahoma Police Department we would like to thank the United States Deputy Sheriff's Association for the generous donation of rifle plates. This will be used in any possible active shooter threats or events. We appreciate what you guys do to help the communities we serve and provide us with equipment that we would not normally have the chance of getting. We are a small community with limited tax revenue or income, so it makes it tough to buy new equipment when needed.

Thank You

Chief of Ploice
