Dear Mike Willis,

I hope this letter finds you well. I am writing to express my deepest gratitude for your generous donation to Littleton Police Department. Your contribution has made a significant impact on our mission, and we are incredibly grateful for your support.

Your generosity and kindness will go a long way as all the donated Patrol Trauma Response Pouches will be placed in our patrol cruisers and be readily utilized by our officers. We will ensure that your donation is utilized efficiently and effectively to maximize its impact in case of any emergency requiring such lifesaving tools. I have attached a photo of two officers holding them as they are being prepared to be added to our toolkit. I will be sharing a social media post tomorrow to share the excellent work that the United States Deputy Sherriff Association is doing. You can see that post on social media sites @LittletonMAPolice.

Please do not hesitate to reach out if you have any further questions or would like more information about our organization's activities. We would be happy to provide you with any additional details you may require.

Thank you once again for your kindness and support.

Patrolman Ilyas Abu, 65
