Mike Willis
National Training and Programs Director
United States Deputy Sheriff's Association

Dear Mike,

The Milbank Police Department recently received a donation from the USDSA of two Spike Devil Spike Strips. This donation will greatly assist our officers in their efforts to keep this community safe. The entire police department is extremely grateful for this organization for helping low budgeted departments such as ours.

We sincerely thank you for your assistance and generosity!

Thank you again!

Chief Corey Hooth, and the entire Milbank Police Department
