United States Deputy Sheriff's Association
2233 S West St Ct
Wichita, KS 67213

USDSA,

The Miner County Sheriff's Office would like to thank you for awarding us with three Point Blank hard armor plate sets and the carriers. While we hope to never need them, we are very appreciative of the ability to provide our officers with an additional level of protection.

Your organization does an outstanding job for many departments like ours and we can't thank you enough.

Chief Deputy Josh Hahn
Miner County Sheriff's Office
