Dear United States Deputy Sheriff's Association,

This letter is a huge thank you to your organization for the three donated rifle plate/ active shooter kits. This is a big piece of equipment that my department needed to outfit patrol officers. The items are received with so much appreciation and gratitude.

See attached picture of Chief Shapiro, wearing the kit. Due to staffing issues and our small agency, this is the best I have at this time for pictures.

Again, we thank your origination for the donation of this vital piece of equipment.

Sincerely,

David Shapiro
Chief of Police #841
