TO: US Deputy Sheriff Association

Greetings,

On behalf of Mt Pleasant Township Police Department, I would like to thank your organization for the donation of the CMI Intoxilyzer 800 and extra mouth pieces. This PBT will assist our agency in helping to keep impaired drivers from our roadways. Your organization donating this really helps us to be able to provide needed equipment without impacting our budget. This greatly helps the department progress forward through a much-appreciated donation. Without this donation we would have limited a resource that is great for assisting in detecting impaired drivers.

Serving a smaller number of residents often can make smaller departments struggle to collect equipment to help progress the means to aid enforcing some laws. Your organization helps multiple departments and agencies across the country. We appreciate being selected to obtain this piece of equipment for our department.
