Re: 10 Emergency Belt Trauma Kits

I am writing on behalf of the North Caldwell Police Department to express our heartfelt gratitude for your recent donation of ten emergency belt trauma kits to our department. Your generosity and support mean a great deal to us and the communities we serve.

In these challenging times, it is crucial for law enforcement agencies to be equipped not only with the necessary tools and resources to protect and serve, but also with the means to provide immediate medical assistance to those in need. Your thoughtful contribution of the medical kits will undoubtedly enhance our ability to respond effectively to emergencies and provide timely aid to both officer and civilians.

We would like to extend our sincere appreciation to all those involved in coordinating this donation. Your efforts in gathering the resources and facilitating the process are commendable and a testament to their commitment to public safety and community well-being.

Once again, thank you for your exceptional donation.

Respectively,
