RE: FLIR Thermal Monocular Donation

Dear Mr. Willis,

On behalf of the Village of Pandora, Pandora Police Dept. I would like to thank you and the United States Deputy Sheriff's Association for supporting the Pandora Police Dept. The donation of the FLIR Scout Monocular is a great asset for my officers to utilize in many situations.

I would also like to thank you for the support and quick response after filling out the application for the FLIR. It is great to no Law Enforcement has people and organizations that care for the hard working officers working the streets in the world we live in now.

Please see attached photo of Sgt. Kyle Hall Pandora Police Department with the FLIR that was donated,

Sincerely,

Chief Scott J. Stant
