United States Deputy Sheriffs Association (USDSA)

Mike & Sierra,

On behalf of the City of Phoenix Police Department, (PXPd), I would like to take this opportunity to express our profound gratitude to USDSA for the donation of Rifle Plates/Active Shooter Kits. These kits will be assigned to three of the nine current officers of PXPd with the hopes of outfitting all officers in the future in preparation of what is hopefully a situation we never have to experience.

Your organization is truly doing wonderful things especially for the smaller agencies who in a time of limited budgets and budget cuts remain steady in ensuring the safety of our communities and their citizens.

The PXPd looks forward to partnering with you again in the future.

Respectfully,

Lieutenant Jeff Price
