I wanted to write this letter to send our sincere thanks for the donation your organization has provided our office. The flashlights and spike strips come as a donation to a small rural department with a limited budget. The flashlights being available to our officers offer them a light readily available at night time when responding to calls for service with limited visibility. A pursuit is the most dangerous situations a law enforcement officer can be in. But these tire spike strips will bring a pursuit to an abrupt halt. Thank you for your support and equipment to help us better serve our community.

Sincerely,  
Capt. S. L. Morris
