RE: Your donation of a FLIR Scout TK device

Dear Mr. Willis:

On behalf of the Rumford Police Department and the residents of Rumford, I wish to extend my sincere thank you for your donation of a **FLIR Scout TK** device.

We serve a population of nearly 6,000 people and this device will not only enhance our criminal investigative options, but will also enhance our search and rescue/recovery efforts as well.

We appreciate our support in our mission to protect the community and your donation goes a long way to fulfilling that mission.

Sincerely,

Tony L. Milligan
