Re: Officer Safety Equipment Received

Dear Mr. Willis,

On behalf of Sheriff Fox and the Deputies of the Rutland County Sheriff's Department, I'd like to express our deepest appreciation for the officer safety equipment your organization has provided to us.

We recently received our ballistic helmets, and they are currently being issued and fielded with our deputies.

Officer safety equipment, especially that of ballistic protection, are increasingly in demand. As with many smaller departments across the country, budgetary concessions have to be made, which often times directly impacts on the desire to enhance the basic safety of our employees.

Your organization was able to provide us with several, greatly needed, ballistic helmets. Our deputies are extremely grateful for you and your organization's willingness and commitment to keeping police officers safe across the country.

Respectfully,

Johnathan J. Bixby
Captain
