Rutland Town Police Department Press Release- Press Release

## PRESS RELEASE

The Rutland Town Police Department would like to thank the United States Deputy Sheriff's Association for their safety grant which provided manual breaching equipment for the officers of the Rutland Town Police Department. This equipment will give our officers the tools needed to gain emergency entry into a structure in the event the officers encounter a locked or secured door.

Also, the Rutland Town Police Department would like to again thank the Association for their previous cash grant which allowed the Police Department to obtain a K9 Insert for one of our police cruisers. The newly formed K9 Team consists of Senior Officer Jimmy Plakas and his partner, Officer K9 Rooster. The Team has already had multiple successful deployments resulting in the seizure of illegal narcotics.
