

United States Deputy Sheriff's Association,

On behalf of the Southwestern Oklahoma State University Campus Police Department, I would like to thank the United States Deputy Sheriff's Association for their generous donation of a Preliminary Breath Tester (PBT). This PBT will be another tool to help our Officers make a more informed decision when combating drunk driving in our jurisdiction.

Equipment like this is vital in helping our Department to serve and protect the students and faculty of SWOSU to the best of our ability and with tight budgets, the work the USDSA does is very crucial to small Departments to help stay within their yearly budget.

The USDSA is a fantastic organization, and we again thank you for your generosity!
