**FAX: 817.220.1689**

On behalf of Deputy Chief Oliver and Springtown Police Department we want to thank the United States Deputy Sheriff's Association for awarding our team a handheld thermal vision monocular for our patrol officers.

This FLIR Scout TK will enhance officer safety at night and during low light situations when a suspect flees on foot from an officer and attempts to hide or conceal themselves. This tool will help detect suspects up to 100 yards away, thereby allowing officers to give loud verbal commands prior to making contact. This will also assist and locate runaways or missing persons if they are trying to conceal themselves.

This tool was grant-funded at no cost to the department. The department continues to seek out grant funding opportunities. Special thanks to Mike Willis, USDSA National Training & Programs Director.

Thank you.

Sgt. Wacasey
