USDSA Grant for Entry Equipment

United States Deputy Sheriff's Association
2233 S West St Ct
Wichita, Kansas 67213

June 7, 2023

Dear USDSA,

I would like to thank USDSA for providing us with entry tools for our two cruisers. As an extremely small rural police department, it is a challenge to fund all the needed equipment. Your easy and straightforward grant process is much appreciated. I immediately requested cooperative training with our fire department to practice using these.

We will use these entry tools for life-or-death situations such as active shooter events and gaining entry into houses for medical emergencies. They will also allow entry through locked gates and bars during wildfire events and emergencies, as well as many other situations. Given how versatile and well-built these tools are, they will be with our department for decades. Thank you USDSA for your valued assistance.
