Mike & Sierra,

On behalf of the Wright City Police Department I would like to extend my gratitude to the United States Deputy Sheriff's Association for the generous donation of the FLIR thermal vision monocular.

Wright City is a semi-rural area surrounded by farmland and wooded areas. My patrolmen oftentimes pursue fleeing fugitives into these areas during times of low light and extreme darkness, placing them at a dangerous disadvantage. The donation of the FLIR device will greatly assist in locating and more safely apprehending these subjects when visibility is minimal due to darkness.

Thank you again for the great work your organization does in supporting law enforcement agencies across the country.

Sincerely,

Thomas J. Canavan
Chief of Police
