Dear Mr. Willis,

On behalf of the officers at the Wrightsville Police Department, we want to express our sincere gratitude for the donation of the FLIR device for our department. This FLIR will be an asset to our department for locating missing children and fleeing subjects. Without your generous donation this is something our department would not have been able to obtain due to budget restrictions.

We appreciate the United States Deputy's Association and your dedication to support law enforcement.

Sincerely,

Jennifer Hudson

Captain

Wrightsville Police Department, GA
